Re: Ethics Complaint against Mayor LaFortune submitted in compliance with
Title 12, section 609 (B) of the Tulsa Revised Ordinances

Dear Mr. Kier:

It has come to my attention that Mayor LaFortune is a member of the Board of Directors for the Tulsa Metro Chamber of Commerce. It is my understanding that he has entered into contracts for the City of Tulsa with the Chamber since becoming a member of their Board of Directors. My understanding is the Ethics Ordinance may prohibit such conduct. I believe I have a moral and legal responsibility to report such conduct if I have knowledge of it.

First, please tell me if Mayor LaFortune has filed any disclosure of personal, financial, or organization interests with your office. If not, consider this an official complaint regarding such actions as required by section 609 (B) of the Ethics Ordinance. This letter should fulfill any legal obligations, I have under the laws of the City of Tulsa or the State of Oklahoma.

If you need any further assistance, please contact me.

Sincerely,

Councilor James S. Mautino
