Dear _____:

~~I really cannot thank you enough for your past support.~~

It is a privilege and honor to have become the 38th Mayor of Tulsa. From the beginning of this campaign, we shared a common vision to Make Life Better. I deeply believe in the potential of this city. I believe in our hard working city employees, our neighborhoods, our schools, and our citizens. I look forward to bringing fresh leadership to City Hall.

A LITTLE MORE HELP

As you clearly know, this past race was fast and furious. Your past support allowed me to have the proper resources to win this most important race. As with many campaigns, we still have a few loose ends to tighten up. I know it's a lot to ask, but I am asking you to consider sending another contribution so we can finish this cycle and start working on the true needs of the city. I realize that I am asking a great deal. Please consider matching your previous donation or any amount you can send would be greatly appreciated.

THANKS FOR YOUR SUPPORT

These past few months have been extremely exciting. We have made historic gains here Tulsa. The stakes had never been higher and we did a fantastic job. Again, I want to thank you for your friendship and support over these past few months, it means so much to me to know I can count on you.

With sincere thanks,

Kathy Taylor
